This is our Main collection.

The Course Reserve collection is where you will find a copy of the textbook for each course. Other copies may be held in the General collection.

Found the perfect book? Borrow it using the self-service checkouts.

Ipswich Library is a hub for a range of student services. Help with enrolment and program information is available at the Student Centre. You can book appointments here to see a Careers Advisor or Counsellor.
Want to improve your academic writing... then get to know the Learning Centre staff and services.

Support is available in person or online.

Need help with connecting to wireless or resetting your password? You’ll find the answers to these questions and more at the ICT Help Desk also located in the Library.

If you need help finding information for your assignments, talk to our friendly Library Help Desk staff. They have lots of experience and enjoy helping our students. We understand you are just starting your university journey and might not have used an academic Library before. No question is considered silly so ask away. You can borrow your items here, or use our self-checkouts.

<td><strong>... and finally, when all your assignments and exams are done... we have return chutes too. You don’t even have to come into the Library to return your books with 24 hour external returns. You can also return books belonging to any USQ Library to us and we’ll send them to the right location</strong></td>
