USQ Library Web Tour

USQ Library
Library web tour

1. Welcome to USQ Library’s Online web tour.

2. We have millions of books, ebooks, journal articles, DVDs and more for you to borrow, download or read online—and it is all free to you.

3. Let’s introduce you to some of the main tools and features you’ll need during your study.

4. Library Catalogue is similar to what you use in your local library—just if you wish to find a known title in a different format.

5. If you want to search for credible information, “Google-style”, then use Library Search.

6. It contains the same information provided in the catalogue, but also provides journal and newspaper articles.
21. Additionally, EndNote software to assist with referencing can be downloaded.

22. how to access free return postage bags for books will be advertised at relevant times during the year.

23. You can access further help by exploring those links.

24. ... through sliders on the Library homepage.

25. ... and by contacting us.
